

ENVVEST Community Advisory Committee Meeting

Karcher Creek Sewer District Office
2924 SE Lund Avenue, Port Orchard, WA
Thursday, February 16, 2006, 7 p.m. to 9 p.m.

draft Agenda

Purpose of meeting: Convene the Community Advisory Committee and further the working relationship between interested community members and the organizations responsible for managing environmental activities related to ENVVEST; provide information and receive community input about content and processes for interaction.

Objectives:

1. Understand process and status of fecal coliform Water Cleanup Plan, including ENVVEST Project Water Quality Improvement Plan support activities.
2. Understand water quality improvements expected resulting from Port Orchard's wastewater system upgrades.
3. Learn important views of Suquamish Tribal Nation regarding water quality activities.
